Emy,

I wanted to follow-up regarding our discussion yesterday on your questions on the air sampling plan outline. Are you available at 1:30 pm for a call with Mike Smith and me? If so, I will call you in your office at that time.

Thanks,

Brian

Frederick and Brian,

I'm writing this email to inform your groups that I should have the final draft of the five-year review to you by the end of the week. I was hoping to have it to you today, but EPA is addressing a few more internal comments.

Thank you for your patience.
